

CHEC is one of the UK's leading providers of community based Ophthalmology services.

Founded in 2012, CHEC has been working in partnership with the NHS to increase patient choice services and provide access to timely care and treatment locally. With a commitment to reducing waiting times, CHEC ensures patients can access Ophthalmology care within **4 weeks**.

Flexible NHS appointments available to suit your patients

99% patient satisfaction

Home to Hospital™ patient pick up service

Treatment within 4 weeks

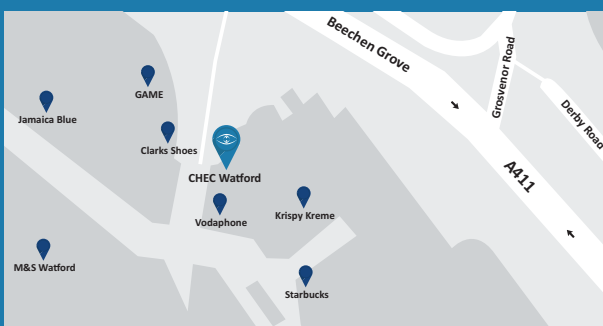

Wheelchair accessible

“Extremely efficient service. Both cataract operations completed in a 7 week period. The resultant eye sight feels nothing short of miraculous.”

- Patient review
